

**Janice N. Wittschiebe, AIA, NCIDQ, LEED<sup>AP</sup> ID+C**  
**Principal**

#### Education

**Janice Wittschiebe** has been providing professional services since 1980 as a project designer, project manager and principal for large multi-faceted projects. As a registered architect, registered interior designer and LEED accredited professional she brings a wide range of abilities and understanding to the company. Key to her experience has been negotiating contracts, management of design teams, coordination of multiple consultants, contract administration and work on ADA-oriented projects as well as corporate responsibilities for marketing.
