

Lisa Berger
Marketing Coordinator

Lisa Berger has 14 years of professional experience in the marketing industry. She is primarily responsible for the production of proposals and other marketing materials and coordination of presentations. A new marketing database has been implemented, for which Lisa has been responsible, from data entry to complete federal forms used in proposals. Lisa identifies prospective projects and key potential teaming partners and coordinates consultant-marketing efforts on all active projects. She is instrumental in maintaining all local, state, and federal architecture and business registrations. Her knowledge of PowerPoint, Photoshop, and InDesign make her a strong asset to the Richard Wittschiebe Hand team.
